

“Cuba is not a destination for those seeking predictability or luxury in the conventional sense. It has always been best suited to open-minded, curious travellers who are interested in culture, people and a different way of life. Many of our guests tell us that witnessing the resilience, creativity and humour of the Cuban people—despite ongoing challenges—is one of the most powerful and memorable aspects of their journey.”
— Romey Chuit, Founder

Group Tour Pricing 2025 / 2026

Accommodation Options

When joining the tour, you can choose from three levels of B&B-style; Casa Particular accommodation. All options include ensuite bathroom, air-conditioning, daily housekeeping, and warm Cuban hospitality.

How to Choose Your Accommodation Level

Standard / Authentic – Comfortable, locally run casas offering an authentic Cuban stay.

Upgraded – More modern or renovated casas with enhanced comfort and décor.

Superior (Havana only) – Boutique-style or premium casas in Havana paired with Upgraded elsewhere.

Who This Tour Is Best For

- Travelers seeking an authentic, locally focused Cuba experience
- Those who value cultural immersion and responsible travel
- Small-group travelers who enjoy structure with free time
- Couples, friends, and solo travelers
- First-time and returning visitors to Cuba
